NOV/DEC 2005 NEWSLETTER

HRLRC PRESIDENT'S MESSAGE

Greetings all!

Winter has found its way to Michigan a bit earlier than usual this year it seems. While I'm not thrilled with the snow, at least my Labs enjoy it. Watching my dogs leap, romp, roll, and play "snow plow" in that wintry haven, I am reminded how they glean so much joy from something most of us consider a hindrance. I can't help but smile and chuckle as I watch the antics of my crew out in a snow covered yard. Some of my most cherished and priceless memories come courtesy of my dogs who have no idea how much joy they add to my life just by living life the "Labrador way." This holiday season, take time to enjoy the simple things in life that often mean the most. May your time spent with your families and dogs be wondrously special.

Merry Christmas, Happy Holidays, and Happy New Year to each and every one of you.

Warmly,
Jeanine
